CANCELLATION AND REFUND POLICY⁴:

1. The school must refund all monies paid if the applicant is not accepted. This includes instances where a starting class is cancelled by the school.
2. The school must refund all monies paid if the applicant **cancels within five business days** (excluding Sundays and holidays) **after the day the contract is signed or an initial payment is made, as long as the applicant has not begun training.**
3. The school may retain an established registration fee equal to ten percent of the total tuition cost, or one hundred dollars (\$100), whichever is less, if the applicant cancels past the fifth business day after signing the contract or making an initial payment. A registration fee is any fee charged by a school to process student applications and establish a student record system.
4. If training is terminated after the student enters classes, the school may retain the registration fee established under (3) of this subsection, plus a percentage of the total tuition as described in the following table:

More than 50%	100%

5. When calculating refunds, the official date of a student's termination is the last day of recorded attendance:
 - a) When the school receives notice of the student's intention to discontinue the training program; or
 - b) When the student is terminated for a violation of a published school policy which provides for termination; or,
 - c) When a student, without notice, fails to attend classes for thirty calendar days.
6. All refunds must be paid within thirty calendar days of the student's Withdrawal Form signed date.
7. If you intend to withdraw from the program for any reason, you must complete a Withdrawal Form to facilitate the refund process.

If tuition is not paid in full within 25 days of due date, the remaining balance may be sent to a third party debt collection agency.
