

PART TIME - ADDENDUM A

Students may learn more than one stack for an additional charge to base tuition. Students who wish to add a second or third stack will be charged an additional \$4,000 per stack, for a maximum of \$8,000. Each additional stack will add eight weeks of course time, for a maximum of 16 weeks of additional course time.

I certify that I have read and accept the additional tuition costs and course time.

Additional Stack(s): Java

Total cost to be added to base tuition: \$4000
